

2025 CCRP Club Sponsorships

"Make Michigan Great Again!"

The Clinton County Republican Party will be offering our Annual Club Sponsorships again in 2025. Annual Club Sponsorships are used to fund the CCRP during each two year election cycle. As a county party we have two financial accounts your donations are required to be deposited in.

- **Administrative account:** Any donations to the CCRP that are received from businesses or political entities are deposited here. These funds can be used for support of the CCRP's administrative functions and expenses for the general operation of the county party.
- **Political account:** Any donations to the CCRP that are received from individuals are deposited here. These fund are used exclusively for political purposes such as support of political candidates and expenses associated with campaigns.

In the upcoming 2-year election cycle we will be working hard to continue to find, recruit, and support candidates for elective office that have a direct impact on the future of Clinton County, the 7th Congressional District, and the State of Michigan.

It is imperative we do everything within our power to elect conservative individuals to replace Whitmer, Benson, and Nessel. We need leaders who believe what our country was founded upon and believe in the oath of office that they swear to uphold! In Clinton County we will need to make sure Tom Barrett wins a second term. At the state level we need to do all we can to oust Gary Peters as our US Senator and replace him with a Senator that will work with President Trump to push **The Make America Great Again** agenda through congress.

Clinton county continue to still struggle with representation in Lansing in the House and Senate. The 75th and the 77th House districts would be difficult to win in with the current political demographics, but we should still be able to have representation in the 93rd house district from State Representative Tim Kelly for another term.

As a county we should take a serious look at Senate District 28 that is currently held by Sam Singh. We think we have a good opportunity to win that seat in 2026 if we find the right candidate and that will be one of our highest priorities.
